

Make your world a better place.

Call Rusty Gibbs at
704.345.8209 to schedule
an appointment for a tour
of our model home.

4543-4611 Craig Avenue
Charlotte, NC 28211

To see all 138 steps we've
taken to create your
eco-modern home go to
ElementHomesOnCraig.com

- Anderson doors & windows
- Custom cast-stone top sinks
- Open Ekru tile shower with frameless glass wall and Ekru tile tub deck
- Smooth unstained concrete floors or upgrade to pre-finished bamboo floors
- Bosch Energy Star Certified Stainless Steel appliances
- Drought-resistant landscaping design done by Gardens of Eden to satisfy NC Healthy Built Homes requirements

More square footage.
Less carbon footprint.

Living a more sustainable lifestyle begins at home. Move to Element now, where you'll find inspiring architecture, backyard woods and 138 eco-friendly features designed to save you an estimated 38% monthly on your energy costs. It's an enclave of seven eco-modern homes on a peaceful street in Charlotte's Cotswold neighborhood. What on earth are you waiting for?

Come visit our model home today.
